Mayor's Message

A big thanks to all who helped make this year's Easter Egg Hunt a success! We received Donations from these local businesses.

Garage Doors Only, Barnes Bullets, Fast Trax, Taco Time, Smiths, One Man Band, The Italian Place, Santaquin Pharmacy, Wal Mart, Maceys, ShopKo and even a few residents! We would appreciate any empty Easter eggs that you may not want so we can use them for next year's hunt! You can drop them by the Town office. Thank you!

This year's celebration's theme is "Lets Pull Together". As Mayor, I would like to see the strength of our Community "pulling together" to make this year the best yet. We need support from all residents to make this happen. The Council has been working hard to provide fun quality events for everyone. We encourage residents to come participate in the parade!! Contact Craig Coleman if you have questions. If you are willing to help with any of the events please contact Kendell Ewell. Look for a flyer closer to the Celebration for details on activities and times. Booth space is available. Space rent is \$25.00.

If you would be interested in receiving your water bill via email instead of in the mail please contact the Town office with an email address. We hope that this will help cut down on billing costs and be more convenient for residents. If you have any questions call the Town office @ 754-5300.

Cross Connections

It is time again to make sure all cross connections from Irrigation to Culinary water are legal and safe. Please make arrangements to have your connections tested by April 30th. Please submit your test results to the Water Department no later than May 7th. If you have any questions or need assistance with this, contact Phil Harold @ 754-5300.

Safety

April is Clean out the Cabinet month. The Utah County Substance Misuse and Abuse Reduction Team (SMART) want to encourage all residents to properly dispose of old or unused medications so they cannot be misused. Over 70 percent of teens who abuse pain medication say they got their pills from a friend or relative. NEVER flush medications down the drain. For take back events or ideas for proper disposal, please see www.UtahCountyHealth.org/CleanOutTheCabinet Please note that Santaquin Police Department is a secure drop off point for proper disposal.
